

Citadel Summer in Argentina

Dates: July 9th – July 23rd

The Citadel Summer in Argentina Program will expose you to competing opinions from leading experts, government officials, and business owners on a variety of topics in Buenos Aires and Rosario. You will interview between 20-25 officials, analysts and private sector leaders on topics related to security, economics, and politics. You will also visit cultural sites, museums, as well as major institutions and universities. Earn six credit hours (3 hrs. CRMJ 465 credit for CRMJ majors, counts for Cluster A; other majors, counts for general elective. 3 hrs. SPAN 300 level credit for independent study).

For more information contact [Dr. Norris](#) or the Criminal Justice Department, Capers 330
