

Study Abroad, Estonia

Summer 2018

Estonian Parliament

Big Red at the Russian Border

Given its strategic location and role in worldwide cybersecurity (it houses NATO's Cyber Defence Centre of Excellence), Estonia may be the most exciting country in Europe. Citadel students can enjoy a once-in-a-lifetime experience during Summer, 2018 in this exciting study abroad adventure!

Why study abroad in Estonia?

- Earn 6 hours of credit in three weeks!!!
- Two exciting courses taught by Estonian professors:
 - PSCI 336, Russia and the Commonwealth of Independent States/CRMJ 465, Special Topics in Criminal Justice/CRMJ 585, Topics in Intelligence
 - CSCI 227, Principles and Practices of Cybersecurity/ CRMJ 465, Special Topics in Criminal Justice/ CRMJ 510, Topics in Criminal Justice
- Multiple excursions to exciting locations, to include Helsinki, Finland; Narva, Estonia; Tartu, Estonia; US Embassy.

Program details

- When: July 1 – July 20, 2018 (Summer II)
- Cost: Approximately \$3500 (plus airfare)
- Price includes tuition and fees, lodging, two meals per day (lunch and dinner), insurance, and all excursions

If you have any questions or want to express interest before the trip fills up, please contact Dr. Carl Jensen at cjensen1@citadel.edu.
