

Citadel Summer in Spain

Dates: June 5th – June 30th

The Citadel Summer in Spain takes place in Madrid and Alicante. Madrid is geographically situated in the center of Spain, which makes travel and daytrips to other cities very convenient (Toledo, Segovia, Avila, Cuenca etc.). Madrid offers endless opportunities to be immersed in its history, culture and art with many museums, galleries, churches, parks, music and cinema. Alicante is a port city on the southeastern Costa Blanca in the Mediterranean sea. It boasts cultural and medieval historical treasures (Santa Barbara Castle, Museum of Fine Arts, Archeological Museum, etc). Student daytrips include the Cibeles and Royal Palace, Alcala Gate, Toledo, Segovia, Tabarca Island, Altea and many more!

Students stay with local families, which is the best way to immerse yourself in the culture of Spain. Spanish Intensive Language & Culture Courses will provide 6 credit hours in just 4 weeks.
