

## SUMMER 2020

### EXPERIENCE MALLORCA LIKE A LOCAL

#### Olivar Market

The Mercat de l'Olivar is located at the historic city centre of Palma. Constructed in 1951, the bright Mediterranean-style building comprises two perpendicular halls that meet in the middle like two arms that reach out to embrace an open square, inviting you in to discover and connect.

#### Plaza España

The Plaça d'Espanya is the transport hub of Palma. The Estació Intermodal caters for buses and trains (the latter controlled by TIB). The two old buildings are home to the tourist information centre and several cafés sit either side of the two large escalators which lead into the Estació, which sits underneath a large and popular park.

ELE USAL Mallorca is one of the first Spanish Language Schools of the University of Salamanca in Spain whose main objective is to disseminate the teaching of Spanish as a foreign language. The School welcomes all those who wish to learn or improve their level of Spanish and offers the guarantee and certification of excellence and quality that only the University of Salamanca can provide.

The School is located in the very centre of Palma, five minutes from the intermodal station (rail, metro, bus). This is a privileged location, just a few metres from the Plaza de España, “Parc de les estacions”, and El Corte Inglés Department Store, as well as the main offices of the most important banks in the Balearic Islands. Our students therefore have a wide range of leisure and cultural activities available nearby.
