PLAYA DEL CARMEN

It is located in the center of Mexico's Riviera Maya in the state of Quintana Roo. In the heart of the Yucatan Peninsula, this small city is approximately 35 minutes from Cancun's international airport and 40 minutes from Tulum. Playa del Carmen attracts people from all over the world because of its relaxed, tropical atmosphere and its unmatched beautiful beaches. Playa is a great place to enjoy the cultural and historic richness of Mexico and the Mayan people.

THE SCHOOL

Our Spanish school in **Playa del Carmen** is located just 6 blocks from the white sandy beaches and is designed specifically for our programs in the typical Caribbean style. You can learn Spanish in this open architecture with a relaxing and inviting atmosphere that encourages intensive Spanish immersion. Due to the area's year-round temperate climate, classes take place under thatched roof learning areas surrounded by a tropical garden.
